

SAN LUIS VALLEY
DEVELOPMENT RESOURCES GROUP

The "Next Mile" Project

The San Luis Valley has been selected as the site for a new "real-time" data sets / telecommunications pilot project called The "Next Mile". SLVDRG is the lead agency on the project working in partnership with the Colorado Rural Development Council and funded by the Department of Local Affairs. You are invited to come learn more about the project & its benefit to the Valley.

Date: December 12, 2003

Time: 10:30 a.m. - Noon

Location: San Luis Valley Development Resources Group
626 4th Street
Alamosa, CO 81101

Michael Wisdom
